P.E. Kit

Note: Hoodies or jackets, with the exception of the PE hoodie, are strictly forbidden to be worn at any time with the uniform when on or off site

Regular school P.E. uniform to be worn whilst participating in P.E. at Positive Goals.

Students are expected to bring Sports kit to lesson, regardless of illness/injury. They should be appropriately dressed and will be expected to contribute to the lesson as time keeper/scorer/umpire etc.

Students are allowed to wear a wristwatch and one pair of plain stud or small sleeper earrings in the lower ear. No other jewellery e.g. chains, bands, bracelets and tongue or nose piercings may be worn. No nail varnish or make-up is permitted.

Hair colouring is to be all one colour and natural and there should be no closely shaved hair or hair with designs in or braiding. Hair should be no shorter than a number 2 razor cut. Hairstyles must be sensible and appropriate for school, extreme haircuts are not acceptable.

*If a headscarf (Hijab) is worn, it is important that this covering conforms to safety regulations in order that the student can work in safety at all times.

The definition of an extreme hairstyle is at the discretion of the Senior Leadership Team.

All our decisions are made on the basis of students being in a work mode with no social agenda to detract from the core purpose of school life which is to work hard, learn and make progress.
